Hello,

I am the Early Learning Center Director for Northshore Christian Academy. I joined the staff in June of 2006 with the pleasure of creating an Early Childhood Education program.

I have a BS in Elementary Education with an Early Childhood Specialization from Arizona State University. My only desire from the age of 4 was to be a teacher. I have taught for over 23 years in childcare settings, private schools, and public schools. Preschool aged children are my gifting and passion. My desire is to plant the seeds and lay the foundation for a life long love of learning.

I consider it an honor and blessing to be part of the Northshore family. Nothing is more important than being Jesus to the families God brings to us and loving each child for the wonder that they were created to be. It's a privilege to partner with our families in nurturing their children.

Blessings,

Ms. Sarah
